## You are here to save MONEY.

Learning about how prisons and jails handle inmate phone calls will allow you to **GREATLY** reduce the costs you have to pay for these very important calls.

**We can directly save you and your inmates money on calls home.** Your solution is customized depending on your situation and which type of facility you are dealing with. We **STRONGLY** advise you to read how this is done, and to look at all solutions so that you will find the one that helps you the most. We are confident that you will find that we will save you the most money. This fact, along with our highest quality phone network and world class support, will make you choose our solutions to stay in contact with your loved ones!

### The cost of the long distance (toll) call

When dealing with Federal, state, county, or local jails and prisons it just isn't fair that you have to pay high connection and per-minute charges for calls home. All facilities, either directly or along with "mandated" phone companies, charge sky high fees for long-distance calls for their inmates. These places apparently don't care how much they charge for inmates to call home. They seem to be out to make the most money possible from people talking to their loved ones.

### The power of the local call

Here at ConsCallHome.com, we provide you with a local phone number to the prison or jail where your loved one is incarcerated. This means that the cost you or your inmate must pay for a call home is the lowest possible

## Common Questions

**How does ConsCallHome save me money?**

**Why do I need a local phone number to the prison?**

**Is your service allowed to be used at a Federal prison?**

**Does ConsCallHome work with state prisons?**

**Does ConsCallHome work with city and county jails?**

amount. For Federal inmates, it's a direct cut of 74%. Long distance at the BOP is 23¢ per minute; with our Direct Lines™, your inmate will only pay the BOP 6¢ per minute.

If you have to deal with a state or local facility and use one of the pre-paid services (Global Tel, CBS, etc.) you probably will still use them. BUT, you will find that your costs will also drop drastically, since those calls will become only a local call for that inmate. No longer do you have to pay the long-distance robbery rates these companies charge.

## State Prison Systems

### State contracts with phone companies

State prisons almost all work with collect calls or pre-paid phone accounts with certain providers. The way this works, is that the inmate must call collect at a very high fee. Sometimes as high as \$8.00 a minute! Or, whomever they are calling will contact the phone company the prison has a contract with and set up a pre-paid contract so the inmate can call home at no cost to the inmate. The phone companies have a monopoly on these calls. Now they can charge extremely high fee and inmates, their friends, and their families are forced to pay them.

## Common Questions

**How much will I save if my calls are coming from a state prison, or a local jail?**

**How does ConsCallHome save me money?**

**Does ConsCallHome work with state prisons?**

**Why do I need a local phone number to the prison?**

## ConsCallHome.com and a simple solution

We have created several calling plans based on our Direct Lines™ to help you save on your phone calls coming from state prison facilities. These work in addition to the pre-paid account with the prison mandated phone provider. Using one of our Direct Local Lines will allow you to only pay local collect call rates instead of the outrageous long distance call rates.

To use our services, simply follow these easy steps

1. Setup an account with ConsCallHome and get a local number to the prison where your inmate is located.
2. Contact the prison phone provider and setup a pre-paid account with them for the number you received from ConsCallHome.
3. Pass the new ConsCallHome number to your inmate and they can now call you without paying ultra high long distance charges!

## Our Local, City, State Guarantee

We are convinced that our services are the way for you to stay in contact with your loved ones. If you subscribe to a ConsCallHome state prison facility calling plan, we will give you a 7 day (from the time the number is issued) guarantee on your calling plan so that you can see the cost savings yourself. If for ANY reason you don't wish to keep the account, simply cancel it. We will refund your bank card all monthly costs **and deposits** on the account. We do reserve the right to withhold the **setup fee and a per minute usage fee** for minutes used that is based on your calling plan per minute charge.
